

A VISION TO CHANGE THE WORLD!

In ten short years, the Holy Spirit has motivated thousands of people, in over 100 nations, through 24-7 Prayer. Join us to celebrate the impact of these extreme, creative non-stop prayer experiments, and the pioneering mission, passion for justice and Christ-centred communities that have spilled out of them. As the call to prayer accelerates throughout the earth, we'd love you to be one of the first to hear our 2020 vision to change the world.

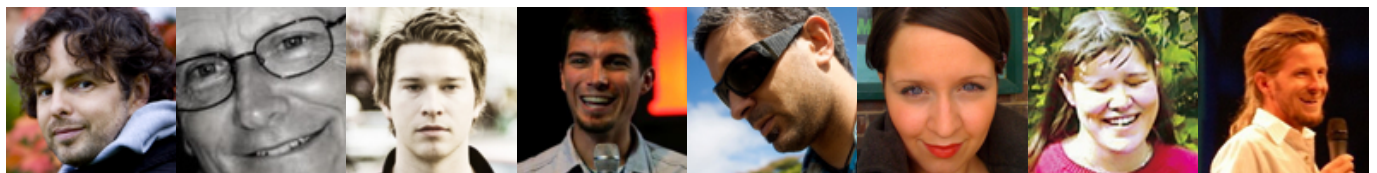

100 years since Edinburgh hosted the *World Mission's Conference*, in the midst of an *unprecedented year of 24-7 Prayer* across the Church in Scotland, and at the culmination of *ten years of seeking God non-stop*, there's a sense of significance about this gathering. If you've prayed or want to pray 24-7, if you're part of or interested in 24-7 Boiler Rooms, then *Magnify* is for you. Gather with pray-ers, mission mobilisers and church planters from five continents in Edinburgh, Scotland, from 16th – 18th September 2010.

To Magnify = to intensify, increase, extol!
"My soul magnifies the Lord". Luke 1:46 (NKJ)

"2010 is destined to be the most significant year in 24-7's history. Echoing Mary's 'Magnificat' we'll be celebrating the miracle that has been conceived in us by the Holy Spirit, and anticipating it's birth to bless the nations." Pete Greig, Co-founder of 24-7 Prayer

The program includes input from **Pete Greig** (co-founder of 24-7 Prayer and author of *Red Moon Rising*), **George Verwer** (founder of Operation Mobilisation) and worship leader **Ben Cantelon** (Worship Central).

Joining them we have Adam Cox (Kansas City Boiler Room), Jay Lucas (24-7 New Zealand), Carla Harding (24-7 International), Lyndall Bywater (The Salvation Army) and Trent Sheppard (Campus America). Together they'll be bringing teaching, worship, prayer, conversation, equipping and encouragement.

YOU'LL LEAVE MAGNIFY WITH TOOLS TO CATALYSE THE PRAYER LIFE OF YOUR CHURCH AND ENGAGE CREATIVELY, PRAYERFULLY AND PRACTICALLY WITH MISSION AND INJUSTICE IN YOUR CITY.

Tickets available for Europeans, Non-Europeans, and 13-16 year olds. Under 12s come free! Information about accommodation, the city, travel, timings, translation & what to expect can be found online.
